EXPERIENCE

Web Designer

Oct 2020 - Present

Clique Mídias

cliquemidias.com.br

- Guided by user research, transformed ideas into tangible design solutions;
- Through open communication and a collaborative approach, I built bridges with others designers, ensuring impactful design decisions were effectively translated into reality;
- Designed interfaces and interactive prototypes for websites templates.

Marketing Analyst

Jan 2017 - Oct 2019

Soft-line Soluções em Sistemas

softlinesistemas.com.br

- As the sole designer, I conceptualized and implemented the user interfaces and marketing strategies for all new web platforms, fostering their ongoing optimization and growth;
- Building a culture of research and design throughout the company;
- Workshop facilitation;
- Actively participating in decisions for the company's design and marketing strategy.

Social Service

Oct 2014 - Sep 2016

Igreja Batista Renovada

- At Igreja Batista Renovada, I actively contributed to its social media presence, administrative tasks, organizing events, and charitable initiatives.
